No 36 Malalasekera Mawatha,

Dear Madam,

**Re: State facilities granted to SAITM (collusively by officials of the Ministry of Health in particular Secretary Mr. Anura Jayawickrama)**

We attach for your reference letter dated 14.12.2015 written by the aforesaid secretary to the Honourable Attorney General. By this letter the aforesaid person have without any rational or legal basis whatsoever undertaken to provide State facilities to the private medical college run by SAITM (South Asian Institute of Technology and Management also known as South Asian Institute of Technology and Medicine Ltd).

We believe that the aforesaid person have acted in such a manner which is causing a serious loss to the State whilst giving SAITM which is a private organisation an unlawful and unjust gain out of public resources.

We would urge you to inquire into this matter as large scale financial loss is caused and is continuing to be caused to the State as a result of the aforesaid conduct of the aforesaid person. We verily believe that the aforesaid facts disclose an offence in terms of Section 70 of the Bribery Act.

Thank you  
Yours faithfully

On the orders of the General Committee of the GMOA.
